General Comments:

The facility has made their dinning completely inaccessible to customers and is encouraging customers to call-in their orders to minimize their wait.

At this time all food sales are for DELIVERY or TAKE-OUT/PICK-UP ONLY!!

The staff is aware of social distancing by requesting that customers keep apart a minimum of six feet from each other and staff. Only allow entry to customers that can safely keep the same distance between them while they wait or encourage them to wait in their cars.

Staff is practicing safe food handling procedures to protect food from contamination, monitor hot & cold holding temperatures, and WASH HANDS.

Staff uses sanitizing solution (chlorine 100ppm or QAC 200ppm) for wiping down all counters and work surfaces to reduce the risk of contamination. All work surfaces should be cleaned and sanitized frequently to prevent contamination.

Under no circumstances are employees who feel sick or are sick with respiratory (i.e. fever, coughing or sneezing) or gastrointestinal (i.e. vomiting or diarrhea) symptoms are allowed to work in the facility.

An investigation was conducted today to review and verify the above food and employee safety practices are being followed. The report will be emailed to the owner/operator. Please contact our Department for further questions.
