*Please note the Center for Disease Control and Prevention (CDC), the California Department of Public Health (CDPH), and the Kings County Department of Public Health (KCDPH) metrics contain different populations/time periods and therefore may differ. CDC updates transmission levels on Thursday and includes every case in the county. CDPH updates data on the first Thursday of the month and includes every case in California. KCDPH updates data on Thursday and excludes the incarcerated population. % Change refers to the change from the week before.
