General Comments:

ROUTINE INSPECTION -

* Observed refrigeration temperatures below 41F. Milk case was at 37F.

* Chicken patties were reheated in the oven to 197F.

* Hand washing stations in the restroom and kitchen had hand soap, paper towels and hot water available.

In response to the Covid pandemic, the school is practicing modified food services. Hot lunches are served to students from K-3rd grade inside the cafeteria only. Cold lunches are bagged individually and stored inside the walk-in cooler. These lunches are distributed to the students (4-8th grade) at the end of the school day to take home.

Staff continues to adhere to state guidelines to minimize the spread of Covid. Staff and students wear face masks and practice safe social distancing. Sanitizing stations are located at all entrance points of the cafeteria for easy access. The modified lunch schedule will continue until new guidelines are in place.

One reinspection will be conducted (if needed) at no charge. A service fee is assessed for each additional reinspection required.

Violation: None Noted

General Comments:

In order to help mitigate the spread of COVID-19 (i.e., risk factors that can cause the exposure of COVID-19), our Department is not conducting routine inspections of the schools in Kings County. This is due to the rise in COVID-19 case rates, hospitalizations, and test positivity rates across the State, which prompted the State's announcement on December 3rd, 2020 of the Regional Stay At Home Order.

Please retain a copy of this report as your written proof explaining why the school did not receive a food safety evaluation for the fall semester of 2020. We will keep you informed of any changes that may prevent us from resuming routine inspections in the spring of 2021. If you have any questions, please contact our department at 559-584-1411.

Reinspection Required: Yes: No: Reinspection Date (on or after): Not Specified
