## **FOOD SAFETY EVALUATION REPORT**

Violation: None Noted  General Comments:  An attempt to conduct a routine inspection was attempted today for the pomegranate juice operation. The facility phone number and operator email are invalid and no one was present to do an inspection. Please contact our office at your earliest convenience to notify us if the operation is still active or if you stopped the juice production and you're no longer in business.  Our records do show that in 2019, you did not conduct sales and we did not conduct inspections during 2020 due to Covid. If you are planning to remains active, you also have to resume quarterly monitoring of the domestic well by collecting and analyzing total coliforms and annual nitrates analysis. The last water sample we have on file dates back to October 2018.
